CLUB NOTES

GREAT OCCASION AT DEEPPDALE

Whatever the outcome of today's F.A. Cup fifth round contest, which we hope will be as exciting and entertaining as our replay with Bolton Wanderers at Deepdale in the previous round, the latest of our many post-war Cup clashes with a London club is as memorable an occasion as any at Preston in recent years.

A "house full" was certain as soon as it became known that North End had drawn the 'Spurs at home, the crowd appeal of the many famous players in the Tottenham side, with the added glamour of their cost, being an unfailing magnet. Their team cost approximately eight times as much as that of North End.

It is remarkable how frequently since the war Preston have been drawn to play teams from London or the adjacent area in the Cup. We have had four games with Charlton, three with Watford, two with Arsenal, two with West Ham, including the 1964 Cup Final, one each with Barnet, Fulham and Millwall, and today's Cup-tie is our third game with the 'Spurs during the same period.

The other two were in 1953, Tottenham forcing a draw at Deepdale and winning the replay by the only goal. The previous Cup meeting of the clubs was in the sixth round of 1937. North End won at White Hart Lane by 3-1, proceeded to beat the Albion at Highbury by 4-1 and, at Wembley, lost 1-3 against Sunderland.

CLUB NOTES—*continued*

In 1931 a third round tie between 'Spurs and Preston at Tottenham ended in a 3-1 home win. This was the fifth meeting of the clubs in the Cup. We were rival semi-finalists in both 1921 and 1922, in each case at Hillsborough. 'Spurs won the first by 2-1. Preston exactly reversed the score the following year. But whereas Tottenham made the most of their success by winning the Cup, North End lost against Huddersfield Town in 1922 at Stamford Bridge by a penalty goal. In January 1900 'Spurs made their first appearance at Deepdale and were knocked out of the Cup by 1-0. Twelve months later we drew in round one at Tottenham by 1-1, only to lose the replay by 2-4 in circumstances related in the programme notes concerning our visitors.

Although North End's recent performances in the League have been disappointing and largely unrewarding, due in the main to lack of penetration by the forwards, supporters have not had anything to complain about when watching the team in the Cup. On each occasion skill and spirit have produced the desired result.

A hard game at Charlton yielded a 3-2 victory. It was followed by an equally mettlesome encounter at Burnden Park, where we did well to draw with Bolton Wanderers, who had gained a splendid victory over West Bromwich in the previous round. The replay, a thriller, went in our favour by 3-2, thus avenging a home defeat by the Wanderers in the fourth round the previous year.

OUR VISITORS—*Tottenham Hotspur*

Old associations give added warmth to the hearty welcome extended to our distinguished visitors—the only club to achieve during this century the League Championship and F.A. Cup-winning double accomplished by Preston North End and Aston Villa when the game was growing up and much less demanding than today.

It was on the turn of the century that North End played the first of many fine matches with the 'Spurs. As Tottenham then were in the Southern League it was, of course, an F.A. Cup-tie. The venue was Deepdale. Significantly we hope, the North Enders won by the only goal. Regrettably there was a sad sequel.

Clubs not in the Football League could sign players without payment of fees and poaching was rife. Tottenham persuaded four of the Preston team to join them and the outcome left a wound which did not heal for many years. It is mentioned not by way of raking up the past but merely as a matter of historic interest.

Fortune decreed that the clubs should meet again in the Cup the following season, and Tottenham won a replay at Deepdale by 4-2 with three of our former players, Tait, Brown and Smith, in their team. They went on to win the Cup. Alas for Preston our weakened team suffered relegation for the first time.

OUR VISITORS—Continued

Handsome amends were made by the 'Spurs some 30 years later through the late Mr. Morton Cadman. North End were experiencing their fourth spell in Division II and faring so badly that a further drop seemed imminent. Money was scarce. Gates were poor. Tottenham came to the rescue with true sportsmanship.

They let us have two international forwards, Ted Harper and Dick Rowley, at a nominal joint fee on the "never, never" principle. Their inclusion brought about an immediate transformation. Harper started at Deepdale with two goals in two minutes and finished with 24 in 23 League appearances. The happy sequel was that two years later Preston North End were back in the First Division.

Founded in 1882 as Hotspur, Tottenham became a professional club 13 years later, joined the Southern League, and were elected to the League Division II in 1908. Promotion was gained in their initial season. 'Spurs repeated this feat when back in the Second Division just after the first World War, going up with a record total of 70 points from a maximum of 84.

They had two other periods in Division II between the wars, both fairly lengthy. Promoted again in 1950, as champions, the 'Spurs stayed where they belong, and proceeded to attain their present eminence. Straightaway they won the League title and their League positions in the past six seasons have been sixth, fourth, second, third, champions and third. Often prominent in the F.A. Cup, Tottenham won the trophy in 1901, 1921, 1961 and 1962.

Patrick A. Jennings (*goalkeeper*). A six-footer signed from Watford in June 1965 for £30,000. Born Newry, N. Ireland. Capped when only 20 against Wales. Other representative honours since, including Under-23 matches and six internationals last season.

Philip Beal (*right back*). Born Godstone, Surrey. Signed as amateur May 1960, and as professional January 1962. Won County schoolboy honours with Surrey and youth honours for England. League debut for 'Spurs 1963-64 and has now settled down at full back as a consistently good performer.

Cyril B. Knowles (*right back*). Born Pontefract. Acquired for £40,000 from Middlesbrough, May 1964, and played in 38 League matches last season, all at right back. On leaving school had short spells with Manchester United and Wolves. On joining Middlesbrough in 1962 switched from left wing to right back.

Alan P. Mullery (*right half*). Birthplace Notting Hill. Signed from Fulham March 14th, 1964, for £72,500. Debut against Manchester United following Saturday. Played all his previous football at senior level with Fulham, who had him for five seasons as a professional. Capped last season v. Holland and played for the Football League. A 'Spurs' ever-present last season.

Laurence Brown (*centre half*). Another costly capture. Joined 'Spurs from Arsenal on February 21st 1964, and made his League debut the following day against his former club. Born at Shildon, Co. Durham, and made his name before turning pro. by winning amateur Caps for England. Signed for Northampton Town in 1960 as an inside-forward, and scored 21 League goals. Moving to Arsenal, was switched to the half-back line and has stayed there.

David C. Mackay (*left half*). Born at Edinburgh and moved from Heart of Midlothian to Tottenham on March 16th, 1959, at a big fee. Won Schoolboy International honours for Scotland, his first appearance at Wembley being in a Schools' International v. England. His first full Cap for Scotland came in 1957 (v. Spain) to be followed by many more International honours including the captaincy of the Scotland XI.

James Robertson (*outside right*). Signed from St. Mirren on March 16th, 1964 at a considerable fee. Played for Scotland in Youth internationals and at Under-23 level, and last season won his first full Cap against Wales. Before joining St. Mirren was with Cowdenbeath, and won amateur honours (v. Ireland).

James P. Greaves (*inside right*). The £98,000 capture who needs no introduction. A Londoner who played his early football for Dagenham Schools, joining Chelsea in 1957. In 1961 he had a short spell in Italian football with the Milan Club. Signed for 'Spurs November 1961, making his League debut against Blackpool on December 16th. Has set up many goalscoring records, and his 1962-63 total of 37 goals set up a new record for Tottenham for any season in League matches.

Frank L. Saul (*centre forward*). Born at Canvey Island, Essex. Signed amateur for Tottenham August 1958, and professional two years later on his 17th birthday. When only 16, established himself in the London Combination side and won several youth honours for England at home and abroad.

Alan J. Gilzean (*inside left*). Joined Tottenham ranks on December 12th 1964 from Dundee for over £70,000. Previously played for Aldershot. Birthplace Perth. First capped by Scotland 1962-63 (v. Norway) after gaining representative honours at Under-23 level. At Hampden Park in April 1964, he headed the only goal in a 1-0 victory against England.

Clifford W. Jones (*outside left*). A costly but valuable captain, has made more than 300 first team appearances for 'Spurs and scored well over 100 goals. Born at Swansea, and came to Tottenham from his local League in February 1958, having already established himself as regular choice for the Welsh National side. Gained his first Cap in 1954 (v. Austria) and now is approaching 50 appearances for Wales. A versatile craftsman who plays well in three forward positions.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

IMPORTANT

The attention of all spectators is drawn to recent invasions of the playing area, particularly by our Juvenile Supporters.

We would ask for the co-operation of all spectators to prevent this kind of disorder which could lead to possible action by the Police or the Football Association.

SUPPORTERS' CLUB—Continued

Due to the enormous success of the Weekly Draw Agents' Meeting and Social Evening on the 22nd February, it has been decided to hold further meetings and socials at three-monthly intervals.

Due to the numerous requests by Members, it has been decided to install a television set in the club.

A popular feature of the club is the tremendous interest shown by all age-groups for the Olde Tyme Dancing on Monday evenings. To stimulate further interest the Social Committee hopes to engage the services of a well-known personality to give instructions on Olde Tyme Dancing in the very near future.

In future, dancing will be re-introduced after the Weekly Draw has taken place on Friday evenings, until 11.0 p.m.

ENTERTAINMENT

The following artistes will be appearing at the club on the dates shown:

Saturday, 5th March

Return visit of PAT & BOBBIE RUSSELL, by popular request.

Sunday, 6th March

THE ALDONS, currently starring in cabaret throughout the country.

Thursday, 10th March
